150. The End!?

How To Use:

I have decided to make this fact book a little easier to find, since I am planning to put in like 200 facts (1 per chapter,) I decided to NAME the chapter after the main chracters that will be mentioned, so you don't have to scroll through the whole book to just find (for example) 1 fact about Bramblestar. Please vote and follow me! I do not own warriors! Credit to Erin Hunter!

PLEASE REMEMBER TO VOTE, COMMENT AND FOLLOW!

Fact #1: Firestar, Graystripe and Silverstream

Firestar disagreed for Graystripe's love for Silverstream, but not because it was against the warrior code, but he thought he was being replaced by her.

Fact #2: Cinderpaw(pelt) and Brackenpaw(fur)

In "Fire an Ice," Cinderpaw(pelt) and Brackenpaw(fur) were both apprenticed before the required age of 6 moons

Fact #3: Sanstorm, Brindleface and Redtail

Sandstorm's father is Redtail and her mother is Brindleface

Fact #4: Sandstorm, Brindleface, Ashfur and Squirrelflight

Sanstorm's mother is Brindleface, which means that Ashfur is her half-brother, who tends to be in love with Squirrelflight, also known as Sandstorm's DAUGHTER, which means Ashfur is in love with his half-niece

Fact #5: Thistleclaw and Bluestar

Thistleclaw originally made it to StarClan, but when he got there, Bluestar was furocious and chased him to the Dark Forest.

*****It is later revieled that this was only a joke, besides, Thistleclaw died BEFORE Bluestar, which means Bluestar wouldn't have been in StarClan the time Thistleclaw died*****

Quote #1: Silverstream and Graystripe

Graystripe: You know Firestar was also very naughty, just like you.

Bramblepaw: Really? He seems to be very responsible!

Graystripe: Yes. I was there when he was too stubborn to not help RiverClan

Fact #6: Squirrelflight, Hollyleaf and Leafpool

Squirrelflight requested the -leaf suffix to Hollyleaf's name because she was thinking of Leafpool

Quote #2: Jaypaw(feather)

“And Jaypaw-well, Jaypaw can heal cats."
"Thanks a bunch." muttered Jaypaw.

Quote #3: Sandgorse

“Sandgorse chose his own destiny. Why should he get to choose yours, too?”

Quote #4: Cinderpelt and Applekit

“Oh, it's Applekit!" Cinderpelt yelped in mock astonishment. "I thought for a heartbeat there was a giant burr chasing me. Never mind. When we stop, I'll help you untangle them.”

Quote #5: Silverstream and Graystripe

Silverstream: You idiot!!! What are you doing in my territory???
Graystripe:...Drowning?
Silverstream: Can't you do that in your own territory?
Graystripe: Ah, but who would rescue me there?

Quote #6: Tigerclaw(star)

Thanks @Snowstar123 for mentionning who said this, I forgot :P

"Warriors should suffer their pain silently."

Quote #7: Yellowfang

You know Yellowfang, don't you? She was cranky, stubborn, impatient-and the most loyal cat you will ever meet.

Fact #7: Scourge and Tigerstar

When Scourge killed Tigerstar, by slicing his belly, he struck 9 major organs, causing Tigerstar to lose a life for each

Quote #8: Sunstar and Bluefur(star)

"You have suffered much and lost much, and yet you still serve your Clanmates, putting their needs before yours, willing to sacrifice all for the sake of your Clan."

Quote #9: Bluestar, Oakheart and Fireheart(star)

Bluestar didn't just like Fireheart(star) because of the prophecy, she liked him because he reminded her of Oakheart (her mate from RiverClan,) a reason why his warrior name contained the suffix -heart

Quote #10: Sunstar

"ThunderClan has kits in the nursery, and the warriors' den is full. We face troubles, it is true. RiverClan pushes at our borders, and kittypets threaten our prey. But the Clan is well fed, and the forest is rich in prey. I vow to make ThunderClan as powerful as the great Clans of old. Today's ThunderClan will be remembered alongside TigerClan and LionClan. Our warriors are courageous and loyal and skilled in battle. There is no reason to feel besieged by our enemies. We have defeated them before and we will do so again. Let me carry you forward in a new era in which ThunderClan is so respected and feared that no cat will dare set a paw on our lands."

Fact #8: Brokenstar, Raggedstar and Hal

Brokenstar has kittypet blood in him because his father, Raggedstar's father (so his grandfather) was a kittypet named Hal.

Fact #9: Dustpelt and Ferncloud

Dustpelt and Ferncloud became mates, even though they were related

Fact #10: Yellowfang, Brokentail(star)

Yellowfang did not give Brokentail(star) his name because of his dented tail, but because her heart felt broken when he was born

Fact #11: Leopardstar

Leopardstar actually died of Diabetes

Fact #12: Leopardstar and Tigerstar

Leopardstar hated half-clan cats, but the only reason she joined TigerClan was because she was in love with Tigerstar

Fact #13: Leopardstar, Stonefur, Tigerstar and Mistyfoot

Leopardstar made Mistyfoot deputy to make up for letting Tigerstar kill her current deputy, Stonefur, who was Mistyfoot's brother

Quote #11: Pinestar

"I have been honored to serve you this long. The rest of my life will be spent as a kittypet, where I have no battles to fight, no lives depending on me for food and safety."

Quote #12: Amberpaw

"Wild's not the same as savage."

Quote #13: Gray Wing

"Okay, I'm brave, or I try to be. But I don't have the skill or the special authority that a leader needs. Surely you remember Stoneteller? She wasn't just brave; she knew how to take care of each cat like they were her own kit. I don't have that in me."

Fact #14: Blackstar, Leopardstar and Firepaw(heart/star)

Blackstar became deputy before Leopardstar became one, and before Firepaw (or at that time: Rusty) entered the forest, therefore he was the oldest leader after Tallstar's death until the end of the series

Fact #15: Snowfur and Thistleclaw

Snowfur continued loving Thistleclaw even if he was "chased" into the Dark Forest, but if he hadn't been "chased" or had made it into StarClan, they would have lived together happily

Quote #14: Storm and Clear Sky

"Fear is what drove you. Fear is a powerful instinct that only the strongest cat can resist. But now you see there's no need to be afraid. We have shown that death is nothing to fear. It's not the end."

Quote #15: Lionpaw(heart) and Pinestar

"Thank you. You were right. I had to tell the Clan myself. You have a good spirit, young one. When it is time for you to receive your warrior name, tell Sunfall I would have named you Lionheart."

Fact #16: Thistleclaw and Snowfur

Thistleclaw had truly believed that thought power and claws was how to show clan loyalty and be respected, when Snowfur died, this influenced his thoughts.

Fact #17: Snowfur

If Snowfur wouldn't have died, it would've effected the whole series:

1. Thistleclaw wouldn't have been influenced

2. He wouldn't have made Bluestar sacrifice her kits: Stonefur and Mistyfoot would have lived in ThunderClan, Mosskit would have lived

3. Thistleclaw wouldn't have trained Tigerclaw to be become who he was

4. BloodClan would never happen

Etc.

Quote #16: Lion Roar and Pretty much Any Elder

"My old bones won't carry me on the journey. But if I were young enough, I'd leave."

Fact #18: Lionblaze and Lion Roar

Lionblaze was originally going to be called Lionroar, but the Erin's decided to switch Lion Roar to his ancient name

Fact #19: Minnowtail and Mousewhisker

Mousewhisker and Minnowtail were a forbidden couple, therefore influencing their decision to join the Dark Forest

Fact #20: Tigerstar and Pinestar

Tigerstar hates kittypets because his father, Pinestar, left ThunderClan to be one

Fact #21: Scourge, Squirrelflight and Firestar

I know you people probably know this but...

Scourge and Firestar are half brothers, sharing the same father; Jake. Squirrelflight's one white paw is a referance to Scourge and Firestar's half-brothership

Fact #22: Leafpool, Leafstar and Spottedleaf

Leafpool was named after SkyClan's modern leader: Leafstar and perhaps Spottedleaf too...

Fact #23: Wind(star) or River(star)

PLEASE CORRECT ME IF I'm WRONG!

Windstar was the one who offered the system of apprentiseship and mentoring

UPDATE: I was corrected that it was Riverstar! Still not sure, but I'll add it anyways!

Fact #24: Cinderheart, Cinderpelt and Lionblaze

I know this is obvious, but just to let you know...

When Cinderheart chose to be with Lionblaze, Cinderpelt finally joined StarClan

Fact #25: Lionblaze, Cinderpelt, Firestar and Cinderheart

The relationship between Lionblaze and Cinderheart is a referance of what could have happened between Cinderpelt and Firestar

Fact #26: Mothwing and Tigerstar

Mothwing was the only kit of Tigerstar who never shared dreams with him

Fact #27: Rowanclaw and Tawnypelt

Tawnypelt did share dreams with him, but she rejected his offer of training because she knew she couldn't find what she wanted most by following her father, but she found that in Rowanclaw instead

Fact #28: Rowanclaw and Tawnypelt

Rowanclaw was mistakenly called a she-cat through some books, so when the Erin's realized their mistake, they changed his gender and made him mate Tawnypelt, to show everyone he was a tom

Fact #29: Jagged Peak and Clear Sky

Still obvious but whatever:

Jagged Peak looked up to Clear Sky as a role model until he drove him away when he fell from a tree and gave himself a permanent limp

Fact #30: Tallstar, Jake and Firestar

When Tallstar was young, he journeyed with Jake, when they returned to their homes and Firestar (Rusty/Firepaw) enterred the forest, he could tell this was Jake's kit, by his pelt, making him very fond of Firestar

Fact #31: Foxheart, Yellowfang and Raggedpelt(star)

Even though Foxheart tried to win Raggedpelt(star)'s heart, she knew he loved Yellowfang more

Fact #32: Hawkfrost

When Hawkfrost went to RiverClan, he grew cold because he thought he wasn't good enough

Fact #33: Fallen Leaves and Hollyleaf

Fallen Leaves slowly fell in love with Hollyleaf, but he distanced himself very night with her in the tunnels trying to resist the love, because he knew he was dead and she was living, so it wouldn't work out

Fact #34: Hollyleaf and Fallen Leaves

Many fans believed that when Hollyleaf joined StarClan, she would never fufill her promise of meeting Fallen Leaves again, because they were from different generations. But the Erin's comfirmed that the two met again in StarClan

Fact #35: Sharpclaw , Rainkit, Rainfur and Cherrytail

Sharpclaw and Cherrytail from Modern SkyClan fell in love and are now mates, they will name one of their kits Rainkit to honour the first warrior lost to Modern SkyClan: Rainfur

Fact #36: Mapleshade

Mapleshade's kits were Larchkit, Petalkit and Patchkit

Fact #37: Dead Kits

If a kit dies before its eyes are open, it will open its eyes in StarClan

Fact #38: Reena and Tallstar

Tallstar fell in love with one of the travelling rogues that visited WindClan: Reena

Fact #39: Tigerstar and Cinderpaw(pelt)

Tigerstar always felt bad about Cinderpaw(pelt)'s accident

Fact #40: Ravenpaw

If Ravenpaw had stayed in the clan's, his warrior name would have been Ravenwing

A/N

So here's a spoiler of what i'll be doing my first time: either Bramblestar's nine live ceremony then Tigerstar's nine live ceremony! Leave your votes or recommandations in the comments! (PS: IT IS TRUE: THE ERIN'S HAVE WRITTEN THIS THEMSELVES, I WILL MERELY COPY IT!)

Fact #41: Ravenpaw and Bramblestar

Ravenpaw gave Bramblestar his final life

Fact #42: Hollyleaf and Dovewing

Hollyleaf was originally suppose to be part of the "three" but th Erin's took her out because they didn't know what powers to give her

Fact #43: Hollyleaf and Jayfeather

Since we're on the topic of Hollyleaf..:

Hollyleaf was originally going to be blind, not Jayfeather

Fact #44: Clear Sky, Bright Stream and Gray Wing

Clear Sky never FULLY recovered from Bright Stream's death. He blamed it on Gray Wing because he knew it was his fault

Fact #45: Gray Wing, Bright Stream, Clear Sky and Turtle Tail

Turtle Tail loved Gray Wing

Gray Wing love Bright Stream

Bright Stream loved Clear Sky

Clear Sky love Bright Stream

Fact #46: Honeyfern and Berrynose

Honeyfern was expecting Berrynose's kits when she died

Fact #47: Honeyfern

Correct me if I'm wrong, I don't remember this EXACTLY

Honeyfern's death was a referance to: DON'T BRING DEATHBERRIES INTO CAMP!!!

Fact #48: Shadowstar

Shadowstar was the first clan leader to die

Fact #49: Mousefur, Brindleface and Redtail

Mousefur was in love with redtail, but her heart broke when she realized he had a kit: Sandkit with Brindleface, since she didn't want to be heart-broken or felt like this again, she never took a mate

Fact #50: Sandstorm and Firestar

Sandstorm truly thought that Firestar had wasted his last life

Fact #51: Bramblestar's 9 Live Ceremony

“A medicine cat has no time for doubt. Put your energy into today and stop worrying about the past.”

So I've decided to just move Brambleclaw's 9 live ceremony to its own little book, now for the quote:

Great Starclan! Did they kill their own kind and wear there teath as trophies?

Quote #19: Graystripe and Firestar

Firestar, be careful!

Quote #20: Hollyleaf

“I know I did the right thing, but no one would ever understand.”

Fact #52: Tigerclaw(star)

Tigerclaw's original name was going to be HAMMERclaw, but the Erin's changed their minds because they thought cats would not know what a hammer is, but Vicky (one of the Erin's) still thought it was better then Tigerclaw.

Fact #53: Tigerstar, Tawnypaw(pelt) and Scourge

Believe it or not, one of the things Tigerclaw(star) promised Scourge if Scourge helped him was to mate with his daughter, Tawnypaw, despite the age gap

Quote #30: Darkstripe, Graypaw(stripe) and Firepaw(heart/stat)

Darkstripe: But the Clan cannot support Yellowfang. We have too many mouths to feed already.
Graypaw: (whispering to Firepaw) Yeah! And some of them are bigger than others!

Quote #31: Crowpaw(feather)

"I'm not frightened of joining StarClan. The forest is dying anyway. At least in StarClan, Feathertail will be waiting for me!"

Quote #32: Crowpaw(feather)

I would like to choose my own warrior name. If it is alright, I wish to be known as Crowfeather. I wish to keep alive the memory of… of the cat who did not return from the first journey.

Quote #34: Cinderpelt

"We cannot change our destiny. We just have to have the courage to know what it is, and accept it..."

Quote #40: Hollykit(leaf)

"I want to be able to help the Clan. If I were a medicine cat I could heal my Clanmates when they were sick and I could share dreams with StarClan. As a warrior I could feed the Clan and defend it-I would die to protect the Clan if I had to-but as a warrior I would be limited to fighting with tooth and claw. As a medicine cat I could fight with all the knowledge and power of StarClan. What better way could there be to serve ThunderClan?"

Quote #41: Tigerclaw(star)

"Keep your rear down, Ravenpaw, you look like a duck!"

Quote #42: Graystripe, Cloudkit(tail) and Fireheart(star) and Darkstripe

Quote #43: Cinderpaw(pelt)

"I'll never be a warrior, will I?"

Quote #44: Graystripe and Fireheart(star)

Fact #60: Rippletail and Petalfur

If Rippletail had survived the journey to save the river, he and Petalfur (the other RiverClan cat chosen to go) would have become mates

Quote #46: Darkstripe

"This is not my Clan. Not any longer. ThunderClan is led by a kittypet, and there's nothing left to fight for. I feel no loyalty to ThunderClan. In the whole forest, the only cat worth following is Tigerstar."

"Think you have nine lives, do you? I saved you once....Don't make me save you again."

Quote #49: Birchkit(fall) and Ferncloud

Birchkit: It tastes like crow-food!

Ferncloud: You've never eaten crow-food. Now just swallow it

Quote #50: Birchfall and Jaypaw(feather)

Birchfall: You're not very sympathic for a medicine cat.

Jaypaw: I'm here to heal you. If you want sympathy, go to the nursery.

Quote #51: Brambleclaw(star)

"Well at least I had the decency to sulk in the privacy of my den."

Quote #52: Midnight

"I have no side. Cats, badgers in peace could live. I speak against attack, but my kin not listen to me. For many days now they talk of blood and revenge."

Quote #53: Jayfeather and Thornclaw

Jayfeather: *Hey, that's mine! Put it back!*

Thornclaw: *Are you mouse-brained? I need it. It's only a stick.*

Jayfeather: *It's my stick. If you don't bring it back in one piece, I'll... I'll...*

Thornclaw: *Okay, I'll bring back your stupid stick. Keep your fur on.*

Quote #54: Sparrowkit, Starlingpaw and Ivypaw(pool)

Sparrowkit: *Can you fly?*

Ivypaw: *Fly?*

Sparrowkit: *The warriors said you flew down from the trees in the battle.*

Ivypaw: *Oh, yes. All ThunderClan cats can fly.*

Starlingpaw: *Liar.*

Ivypaw: *It's not my fault ShadowClan kits have poppy seeds for brains.*

Sparrowkit: *No we don't!*

Ivypaw: *Grrrr!*

Sparrowkit: *Ahhhhhhhh!!!*

Quote #55: Jay's Wing (Jayfeather)

"Let me stay here with Half Moon. This is my only chance to live like my Clanmates, to raise kits and grow old with a mate."

Fact #61: Lionblaze and Cinderheart

The love between Cinderheart and Lionblaze was made to represent what could've happened between Cinderpelt and Firestar

Fact #62: Ravenpaw

Ravenpaw's warrior name would've been Ravenwing

Fact #63: Millie

Millie's warrior name would've either been Silverwing, in honour of Silverstream or Willowfur

Fact #64: Firestar, Squirrelflight, Leafpool and Spottedleaf

Firestar was always a bit more protective of Leafpool because she reminded her of Spottedleaf

Fact #65: Onestar and Firestar

Onestar regretted becoming WindClan's leader because it ruined his friendship with Firestar

Quote #56: Breezepelt

Thanks @ xScoutieSaurus for correcting me!

"Sending you to StarClan isn't enough of a punishment. You need to know what it's like to have every cat in your Clan stare at you, whisper about you. You need to know that you're surrounded by lies and hatred and things that should never have happened."

Fact #66: Dovewing, Ivypool, Leafpool and Squirrelflight

Dovewing was almost named Doveflight. This would've happened to show the resemblance of the close sisterhood of Ivypool and Dovewing as in Squirrelflight and Leafpool. Ivypool and Leafpool both had -pool suffixes anyway.

Fact #67: Lionblaze, Jayfeather, Hollyleaf, Ravenpaw, Greystripe and Firestar

Does anyone see this resemblance?

Firestar, Ravenpaw and Greystripe: Three important characters

Jayfeather, Lionblaze and Hollyleaf: Three important characters

Firestar and Lionblaze match up: the brave and bold, the strong ginger cats

Jayfeather and Greystripe match up: the ones wi forbidden love; Half Moon and Silverstream, both grey toms

Hollyleaf and Ravenpaw match up: the ones who knew more then they were suppose to. Both ran-away because of this and both black cats.

Fact #68: Firestar

Firestar lost his 8th life to an unknown head trauma

Fact #69: Crowfeather, Tornear and Deadfoot

Deadfoot was Crowfeather's real father, even if Tornear acted more fatherly once he died

Fact #70: Crowfeather and Breezepelt

Technically 2, but they are family, and this is 1 resemblance they had, so worth to mention it together.

Breezepelt and Crowfeather had a littermate. Crowfeather's littermate was a kit named Eaglekit, who died shorty after birth. Breezepelt was the runt of his litter, but when all his littermates died, it was miraculous that he was the survivor.

Quote #57: Lizardstripe, Yellowfang and Raggedstar

***Lizardstripe**: What is that?*
***Yellowfang**: It's a kit.*
***Raggedstar**: It's my kit.*
***Lizardstripe**: Oh, yes? What a miracle. If I had known toms could have kits, I would have made Mudclaw have these brats of mine himself.*

Quote #58: Adderfang

"Would you sacrifice our own kits and elders to save theirs? If we don't attack now, ThunderClan will be destroyed. Is it not worth risking a few WindClan lives to save all of ours?"

Quote #59: Lionblaze and Bumblestripe

***Lionblaze**: Is Jayfeather back?*
***Bumblestripe**: He got back just after you left.*
***Lionblaze**: Was he okay?*
***Bumblestripe**: He snapped at Hazeltail for getting in the way, hissed at Cherrypaw for trampling on Ferncloud's moss, and ordered Foxleap and Toadstep to fetch comfrey... So I guess he's fine.*

Quote #60: Hollyleaf and Ivypool

***Hollyleaf**: My name is Hollyleaf.*
***Ivypool**: But you're dead!*
***Hollyleaf**: Obviously not.*

Fact #74: Feathertail and Greystripe

Greystripe always favored Feathertail because she looked like his mother
